HOW TO CITE RULES AND RSMO

RULES

The rules are codified in the *Code of State Regulations* in this system–

| Title | CSR | Division | Chapter | Rule |
|--------------|--------------------|-----------------|----------------|---------------|
| 3 | <i>Code of</i> | 10- | 4 | 115 |
| Department | <i>State</i> | Agency | General area | Specific area |
| | <i>Regulations</i> | division | regulated | regulated |

and should be cited in this manner: 3 CSR 10-4.115.

Each department of state government is assigned a title. Each agency or division in the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraphs 1., subparagraphs A., parts (I), subparts (a), items I. and subitems a.

The rule is properly cited by using the full citation; for example, 3 CSR 10-4.115, NOT Rule 10-4.115.

Citations of RSMo are to the *Missouri Revised Statutes* as of the date indicated.

The text of proposed rules and changes will appear under this heading. A notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This explanation is set out in the PURPOSE section of each rule. A citation of the legal authority to make rules is also required, and appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules that are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close-of-comments date will be used as the beginning day in the ninety- (90-) day count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice, file a new notice of proposed rulemaking, and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:

Boldface text indicates new matter.

[Bracketed text indicates matter being deleted.]

2. A listing of all contracts the seller requests to have considered, detailing the contract number, contract date, beneficiary/purchaser name, financial institution, contract face value, and current account balance;

3. A detailed business and successor plan of the seller; and

4. A written acknowledgment that the seller may only withdraw funds from the account if –

A. A death certificate is submitted to the financial institution;

B. The purchaser exercises their right to cancel according to the terms of section 436.456, RSMo; or

C. The seller exercises their right to cancel according to the terms of section 436.457, RSMo.

(4) Upon request of the board, the seller shall provide the board with any documents requested to verify the account. Any letter of attestation from the financial institution should also confirm the account meets the requirements stated.

(5) All funds received by the seller for a joint-account funded contract must be directly deposited into a joint-account within ten (10) days of receipt. Seller shall not deposit any funds received for a preneed contract into a general business account or holding account prior to the deposit into the joint account.
